

“That Two Become One Flesh”

A Married Couples Retreat

With Derek & Khira Rotty

Derek & Khira Rotty have been married for sixteen years, and they have five children at home. Derek has served in parishes for nearly two decades, he earned a Master's degree from the Augustine Institute in 2015, and he published his first book in 2019.

Khira served as a Theology teacher & campus minister for 10 years, then as a stay-at-home mom, and she is currently completing her certification from the Theology of the Body Institute.

Together, they have worked to develop marriage formation and enrichment events, and they have mentored engaged couples for marriage. When they are not raising children or working, they enjoy time together, accompanied by good food and great wine.
